BOWERS & RUDDY GALLERIES' FABULOUS TYPE COINS

Offered on this page is one of the broadest selections of United States type coins you are ever likely to encounter. Almost every design type is represented in six grades, from MS-60, BU, to Proof-65. What a great selection!

Remember that our grading is strict. We offer you sound quality for a fair price. This is really the only cautious way to acquire coins when appreciation in value is your ultimate goal. And we now offer the PNG-sponsored 30-day return privilege, so if you're new to us you are assured of plenty of time to make up your mind about the coin(s) you receive from us.

TYPE COINS ARE MOVING up in price, almost at weekly intervals, so we cannot guarantee we can hold these prices very long. Every item is in stock at present time, however, and we will try our best to fill your order. So pick up the phone, give us a call (it's our dime, remember use our toll-free line outside California), and join the ranks of happy B&R customers today. We're sure you'll be pleased!

U.S. TYPE COINS
